- Submitted manuscripts must be original, not published nor submitted for publication elsewhere.
- Manuscripts must be written in English and should not exceed 30 pages, including all references, tables, figures and appendices.
- Manuscripts should include a non-mathematical abstract of not more than 150 words and up to six keywords.
- Manuscripts should be prepared with font size 10 point, single-spaced throughout, including abstract, references and footnotes, with wide margins (top: 5 cm, left: 4 cm, right: 4 cm, bottom: 5.7 cm) and formatted as A4 paper size.
- All the authors of a paper should include their full names, affiliations, postal and email addresses on the cover page of manuscripts. Corresponding author who is willing to handle correspondence at all stages of refereeing and publication should be clearly indicated.
- Figures must be prepared in a form suitable for direct reproduction. If complicated figures or diagrams are used, the corresponding graphic files should be included, preferably in .eps or .tiff format. Digital artwork of **at least 300 dpi resolution** is accepted. All figures should be numbered consecutively with arabic numerals.
- Each table should fit into the printed page without crowding. Leave ample space between columns, and double space all entries. Each table should have a legend above it, double spaced. The legend should contain the table number and a concise title.
- Acknowledgements, if any, should be placed before the references.
- Manuscript should include a reference list containing only those references cited in the text. The references are given in the bibliography at the end of the manuscript and should be arranged alphabetically by author at the end of the paper. In-text citations should be indicated by the authors last name and year of publication, e.g. (Chomsky 1967). For citations with more than two authors "*et al.*" is used in the text; the names of all the authors are given in the bibliography.
- Papers for consideration should be submitted to TLM electronically by e-mail t1m@agh.edu.pl in Microsoft Word Format (.doc, .docx, .rtf), OpenOffice Format (.odt) or L^AT_EX Format.
