## Information for Authors

---

We accept only the original scientific papers prepared in English. The papers are to be prepared using the LaTeX system. Submitted papers will be refereed by independent reviewers and, if necessary, the Authors may be asked to revise their manuscripts. Proofs will be sent to the Authors for corrections. There is no publication fee. Authors of the accepted papers are eligible to get one hardcopy of the volume containing their contribution free of charge. No postage charges apply.

The Computer Science Journal is published by the AGH University of Science and Technology, Krakow Poland. The Editors of the Journal are members of the Faculty of Computer Science, Electronics and Telecommunications and the Faculty of Electrical Engineering, Automatics, Computer Science and Biomedical Engineering. The Editorial Board consists of many renowned computer science researchers from all over the world.

The first issue of the Journal was published in 1999. Currently, the Journal is published quarterly, with the main goal to create a forum for exchanging research experience for scientists specialized in different fields of computer science.

Original papers are sought concerning theoretical and applied computer science problems. Example areas of interest are:

- ☐ theoretical aspects of computer science,
- ☐ pattern recognition and processing,
- ☐ evolutionary algorithms,
- ☐ neural networks,
- ☐ database systems,
- ☐ knowledge engineering,
- ☐ automatic reasoning,
- ☐ computer networks management,
- ☐ distributed and grid systems,
- ☐ multi-agent systems,
- ☐ multimedia systems and computer graphics,
- ☐ natural language processing,
- ☐ soft-computing,
- ☐ embedded systems,
- ☐ adaptive algorithms,
- ☐ simulation.
